STATE OF NEW JERSEY	:	

This matter was opened to the New Jersey State Board of Nursing ("Board") upon receipt of information which the Board has reviewed and upon which the following findings of fact and conclusions of law are made:

FINDINGS OF FACT

1. Wieslawa Veltri ("Respondent") is a Registered Professional Nurse in the State of New Jersey and has been a licensee at all times relevant hereto.

2. On May 29, 2012, Respondent completed and submitted an online biennial renewal application which asked whether Respondent would have "completed the required continuing education credits by May 31, 2012," referring to the biennial

renewal period of June 1, 2010 - May 31, 2012. Respondent answered "yes" and certified the answer by submitting the online application.

3. On or about May 20, 2014, the Board sent a letter of inquiry to Respondent's mailing address in Wantage, New Jersey, via regular and certified mail, requesting certain documents, including proof of having completed the required continuing education.

4. On May 20, 2014, Respondent completed and submitted an online biennial renewal application which asked whether Respondent would have "completed the required continuing education credits by May 31, 2014," referring to the biennial renewal period of June 1, 2012 - May 31, 2014. Respondent was also asked whether she completed the required one hour course on Organ and Tissue Donation. Respondent answered "yes" to both questions and certified the answers by submitting the online application.

4. Respondent provided a response to the letter of inquiry, but failed to mention continuing education in her writing. Respondent attached certificates of completion documenting:

4 hours completed within 6/1/08 - 5/31/10;

18 hours completed within 6/1/10 - 5/31/12;

0 hours completed within 6/1/12 - 5/31/14.

Respondent also attached a "transcript" of CE courses, but failed to attach the actual certificates which list the number of contact hours awarded and contain language indicating that the courses were approved or accredited as continuing education for nurses.

CONCLUSIONS OF LAW

Pursuant to N.J.A.C. 13:37-5.3(b), nurses are required to complete a minimum of thirty (30) hours of continuing education during the preceding biennial period in order to renew their licenses. Pursuant to N.J.A.C. 13:37-5.3(f), nurses are required to maintain documentation of completion of continuing education for a period of four years after completion, and shall submit such documentation to the Board upon request.

Respondent failed to demonstrate, to the satisfaction of the Board, that Respondent completed the continuing education credits required for renewal during the biennial period of June 1, 2012 - May 31, 2014. The Board therefore finds Respondent in violation of N.J.A.C. 13:37-5.3(b) and 13:37-5.3(f), which in turn subjects Respondent to sanctions pursuant to N.J.S.A. 45:1-21(e) and (h).

Respondent's use of dishonesty and misrepresentation during the license renewal process in falsifying her continuing

education information constitutes a violation of N.J.S.A. 45:1-21(b), subjecting Respondent to sanctions.

DISCUSSION

Based on the foregoing findings and conclusions, a Provisional Order of Discipline seeking a suspension, reprimand, and a two hundred and fifty dollar (\$250) civil penalty was entered on June 23, 2015. Copies were served upon Respondent via regular and certified mail. The Provisional Order was subject to finalization by the Board at 5:00 p.m. on the thirtieth day following entry unless Respondent requested a modification or dismissal of the stated findings of fact and conclusions of law by setting forth in writing any and all reasons why said findings and conclusions should be modified or dismissed and submitting any and all documents or other written evidence supporting Respondent's request for consideration and reasons therefor.

Respondent replied to the Provisional Order of Discipline and provided acceptable documentation of timely completion of all required continuing education in the June 1, 2010 - May 31, 2012 and June 1, 2012 - May 31, 2014 biennial renewal periods.

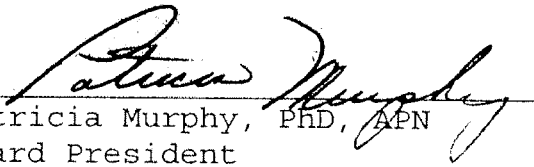

The Board reviewed Respondent's submissions and determined that further proceedings were not necessary and that no material discrepancies had been raised. Respondent demonstrated, to the

satisfaction of the Board, that she timely completed the required continuing education.

ACCORDINGLY, IT IS on this 12th day of November, 2015,
ORDERED that:

1. The Provisional Order of Discipline filed on June 23, 2015 is hereby withdrawn in its entirety.
